Dear Shorthorn Friends,

It is with great pleasure I get to introduce you to the Lazy Bar F and Double G Shorthorns and guests’ Red Dirt Treasures Sale. The sale contributors have invested significant time and money to build programs that are on the cutting edge in the Shorthorn Breed and now it is time to offer the fruits of their labor in this event. We have a diverse offering of Bred Females, Cow/Calf Pairs, Show Heifer Prospects, Herd Bulls, Pregnancies, Embryos and Semen. There is literally something for everyone and you will be working with some of the best people in the business!

Not only will you get to evaluate great cattle, the hospitality will also be the best highlighted by a Ribeye Steak Lunch prior to the sale. Please take time to be with us on April 13th to see this offering and share some great Shorthorn fellowship. You will not be disappointed.

As always, please contact us if we can be of assistance.

Sincerely,

Jeff K. Aegerter

HEIFER PREGNANCY

Selling one SEXED HEIFER Pregnancy due September 23, 2019.

LOT 1

CF SOLUTION X ET
SULL MONA LISA REWARD ET

We aren't sure there is a more dominating mating out there right now. This pregnancy is a full sib to the 2019 Grand Champion Shorthorn Female at the Fort Worth Stock Show, 2019 Grand Champion Shorthorn Female in the NWSS Open and Junior Shows, 2018 Supreme Champion Female Junior Show at the KILE, the 2018 Grand Champion at the National Junior Shorthorn Show and CF Chosen, our new herd sire owned with Cates Farms. These genetics have already won major shows across the county, imagine what she’ll do for your herd.

The recip is a young, purebred, registered (ASA 4216533) Shorthorn cow with a beautiful udder.

LOT 2

LITTLE CEDAR AVIATOR 503X
SULL RED ROSEMARY -3 ET CL

An exciting mating out of the National Champion, SULL Red Rosemary and Aviator. This should be a homerun, genetic masterpiece, banner hanging calf.

The recip is a registered (ASA 4199275) Shorthorn cow that milks well and always weans the biggest calf.

LOT 3

SULL MUSCLE MAN 9043
BCC DARLA 502R

Darla was the Reserve Grand Champion Shorthorn Female at 2006 NAILE. She has been a mainstay donor here for several years now, but this pregnancy represents the last set of eggs we had in inventory. Darla is a powerful female with a lot of body and based on what we've seen this Spring, these calves by SULL Muscle Man will follow suit.

I hate that we had to picture this female so green. It's no lie, I pulled her out of the replacement pasture just two weeks before picture day. She is long bodied and powerfully built with a sound structure. Her dam Pure Hottie was the Champion Shorthorn Plus at the NWSS as a calf and went on to be selected as Reserve Grand Champion at the NJSS and Champion Shorthorn Plus at NAILE. More recently, a full sib was the high seller in Meyer Family Shorthorns Fall Online sale for $11,000. This one will look a lot different come sale day, keep her high on your list.

This is our first ET calf by BEAU'S GIRL, and it has solidified her place in the donor pen. "BEAU'S GIRL" herself, was Fifth Overall at 2015 Junior Nationals and was crowned Grand Champion of the NWSS Junior Show. This cow transmits muscle and power, and that can certainly be seen in this powerhouse female. This heifer has as much shape as any in our offering, yet keeps it in a sound packaged manner to please the harshest critics. She has been a crowd favorite for some time now, and is one we believe has what it takes to surpass the accomplishments of her donor dam.

Another first class representative of the "DEMI" cow family. We held over the top end of our spring calf crop specifically for this sale, hence why this female is selling as a yearling. This female is genetically powerful and will be very competitive. We are pretty high on this one, and she will be near the top for a lot of folks come sale day. This deep red heifer has been a favorite since day one, we were excited about the genetic potential of this mating and we were not disappointed. Unfortunately the weather has not cooperated with us to get pictures but the wait will be worth it, the foot and bone work, extension of spine combined with superior genetics give this one an advantage from the start. Don't miss her on sale day.
We’ve raised one full sibling to this heifer. That heifer was highly decorated, being named Champion Shorthorn Four States Fair 2017, Reserve Division Houston 2016 and 2017, and Reserve Division Fort Worth 2017, just to name a few. I don’t mean to take away from that female, but this one holds an edge. Smoother shouldered and fuller ribbed with a smoother naval, this female could achieve great things.

Bittersweet news, this will be our very last calf by WHR JAZ Demi Delight 2R58, matriarch of the Demi line of cattle. “DEMI” progeny have claimed nearly every title possible, and have found the donor pen in most of the major herds in the country. Don’t miss out on the LAST full sibling to 2013 show heifer of the year. We think the best was saved for last!

2G Max Rosa 25F SOL ET

Her granddam, CYT Max Rosa 9111, was a two-time NAILE Champion Female and Grand Champion Female at the National Junior Shorthorn Heifer Show. Her dam was a high seller for Cyclone Trace, who went on to be named Division IV Champion at the 2016 National Junior Heifer Show and Reserve Champion Shorthorn Female at the 2016 Iowa State Fair Open Show. She tragically died soon after her first flush making this heifer a One-Of-A-Kind. Big-time genetics here, with everything essential to win at the very highest level.

This heifer is out of a first calf heifer sired by Aviator. The Lucy’s are known for being attractive, well balanced cattle, who make hard working cows. Once again, we see the shape of rib and body we see time and time again in Final 4 cattle. This one has function bred in to ensure her as a brood cow.

LOT 15

This high percentage ShorthornPlus female is a half sister to three heifers that have been hanging up banners last Fall and this Spring. She is attractive, powerful but feminine, slick fronted, long bodied, and sound. You don’t want to miss this beautiful heifer. She can be bred to have a purebred or a Plus!
This bull had many friends around the barn, and not only due to his great disposition. He has length and power, yet still ranks in the top 20% for both CED and BW EPD's. He brings a lot to the table genetically as well, his dam is a maternal sib to DF WACO 6W, herd sire at WHR Shorthorns Van Alstyne, TX. THF, PHAF, DSF. Retaining an in-herd semen interest.

You will love her every day you own her.
K's Home Brew, service sire to Lot 40.

We had the misfortune of losing 1238's heifer calf by Red Man shortly after weaning. We had high hopes for her in the Red Dirt offering. A full brother was 123's 2017 calf and he sold for $11,000 to Texas as a steer. This is a very productive cow and she will compliment any sire you choose to breed her to.
